

## Datasheet

### SMA Antenna 868 MHz

Part No: 200048

#### Electrical Specifications

|                     |               |
|---------------------|---------------|
| Frequency Range     | 865...924 MHz |
| Impedance           | 50 $\Omega$   |
| Gain                | 2.5-3 dBi     |
| VSWR                | $\leq 2.0$    |
| Maximum input power | 5 W           |

#### Mechanical Specifications

|                       |             |
|-----------------------|-------------|
| Connector             | SMA         |
| Antenna Height        | 115mm       |
| Weight                | 30g         |
| Color                 | Black       |
| Operating temperature | -30°C~+60°C |

## Product Specification Chart.

## Radiation Pattern

Far-field amplitude at 880 MHz
